

South Florida Dressage Association Presents

A clinic with David Collins

Dec 4 & 5, 2021 at Buttonwood Farm

David Collins competed successfully through Grand Prix including many placings and a 10th in an Olympic screening trial Grand Prix at the Wellington CDI. David was also champion at Intermediate II in the USDF Region 8 finals. He had many placings and wins in shows and CDIs in FL and the Northeast. David trained several horses and riders who have placed and/or won at all levels in regional championships and at most levels in national championships." The best compliment to my teaching is when a student excels beyond my accomplishments." David learned his teaching and training skills from Olympic trainers in Germany and Sweden. He completed the advanced instructors Course at Strömsholm. He was hired as an assistant in Germany to USA Olympic coach, Reitmeister Lammers. Lammers certified David to be thoroughly capable of training horses to FEI levels. Before turning strictly to dressage, David was also successful in show jumping and was selected to train with the Olympic 3-Day Event Team. Additionally, David sold Bojing, aka Beryll, a horse schooling Grand Prix, to Olympic gold medalist, Hubertus Schmidt. Said Schmidt, "I bought Bojing for many reasons besides his very good training." Collins is also author of the book "Dressage Masters: Interviews with Four Legendary Trainers." Read more about David on his website:
